NICKERSON, District Judge:

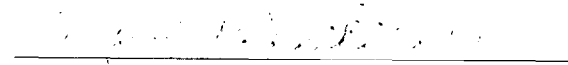

In a Memorandum and Order dated April 21, 1998, familiarity with which is assumed, the Court dismissed this case. By letter dated August 7, 1998, plaintiff Mary Feehan asked that the case be re-opened as pertaining to the claims brought by her on behalf of T.J.F. against the Baldwin and State defendants, and that she be appointed counsel to represent her and T.J.F.

The Baldwin and State defendants are hereby ordered to show cause why the case against them should not be reopened. The Clerk of this Court shall mail a copy of this Order to Show Cause, together with a copy of plaintiff's August 7, 1998 letter, to all parties.

The Court orders that the Clerk of Court appoint counsel for plaintiffs Mary Feehan and T.J.F., who is directed to draft an amended complaint in this case.

So ordered.
